The Barre Shoe company has today awarded the prize in their competition for a name for their new line of ladies' shoes. Owing to there being such a large number of contestants, and the great difference in opinion by the board of judges, it was decided in order to be strictly fair with all competing, to appoint another board of judges. This was done but the matter took more time than was expected. The name selected, "The Elva," is one short and easily remembered, and well adapted to a first-class line of ladies' shoes, its meaning is "beauty and strength." Mrs. L. P. Mudgett of this city is the successful contestant. Her reward was delivered to her in gold. This name has been presented to some of the best shoe men in New England and their comment was greatly in favor of the selection. Suggestions from several of the New England states were received and the variety of names was extensive. The Barre Shoe company wishes to thank all who took part in the contest. A complete line of shoes will be carried in stock after Mar. 1st.

### Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease for over 35 years. A sure protection to you is our name on the wrapper. Look for it on all Dr. King's or Bucklen's remedies, as all others are mere imitations. H. E. BUCKLEN & CO., Chicago, Ill., and Windsor, Canada. Sold at the Red Cross Pharmacy and Parlor Drug Store, Barre, Vt.

## CURES WITHOUT STOMACH DOSING.

Hyomei Cures Catarrh By Simple Breathing--Rickert & Wells Refund Money if It Fails to Cure.

A long stride toward solving the mystery of curing catarrh was taken with the discovery of Hyomei. In fact the percentage of cures by this treatment proves it equal to the final tests.

The folly of taking medicine into the stomach to cure catarrh of the nose, throat and lungs has been realized by physicians, but not until Hyomei was known had they a practical method that would obviate stomach dosing.

A complete Hyomei outfit costs but \$1, and consists of a neat pocket inhaler that can be used anywhere without attracting attention, a medicine dropper and a bottle of Hyomei. Extra bottles of Hyomei cost but 50c.

Breathing Hyomei through the inhaler, every particle of air that enters the nose, throat and lungs is charged with a healing balsam that soothes and allays all irritation, kills the catarrhal germs and enriches the blood with additional ozone.

Rickert & Wells have so much faith in the power of Hyomei to cure catarrh, that they are selling it under their personal guarantee to refund the money if it does not give positive relief.
